

RnA ReSet[®]

Guide To Crafting The Perfect Post

Handle: @rnareset

This guide is to help you craft your RnA ReSet post. We want to make sure you understand what you can and cannot say when creating a RnA ReSet post. Our formulas are "dietary supplements", a highly regulated category with the FDA, FTC, and censoring agencies. This means the wrong content can get taken down, or possibly flagged if your text is worded in the wrong way. We want you to feel confident in what you post and support you with the information you need to craft perfect posts! If you have any questions at all, please feel free to contact us at marketing@rnareset.com

We are always here to help!

3 RULES TO FOLLOW WHEN POSTING

When talking about our formulas and their benefits, remember these benefits are derived from the ingredients in our formulas—not the RnA ReSet products themselves.

1 We have developed our formulas with high-quality, complementary ingredients you can and should share with your followers!

Just remember, posts about benefits must focus on the ingredients.

-   ReMag cured my Insomnia.
Magnesium helps support better sleep.

2 Please avoid stating or suggesting that any RnA ReSet formula will treat, cure or prevent any disease, illness, or medical condition, including but not limited to diabetes, obesity, cancer, IBS, anxiety disorder, COVID, etc. Our formulas are not intended to diagnose, treat, cure, or prevent any disease.

3 Please do not post any statements or representations about RnA ReSet formulas that are untrue, misleading, or deceptive. It is best practices, and may be required on some platforms, to disclose your partnership with our brand according to their content policies and guidelines.

Dr Carolyn Dean MD ND

Author of The Magnesium Miracle

Dr Carolyn Dean is a medical doctor and naturopath. She's the author of over 50 books including best seller The Magnesium Miracle along with IBS for Dummies, Hormone Balance, Death by Modern Medicine, and 110 Kindle books.

In 2015, Dr Carolyn Dean MD ND launched the RnA ReSet brand based on nutrient protocols she built through 40+ years of experience in private healthcare practice. Dr Dean's career as a medical doctor and naturopath resulted in a collection of unique, proprietary formulations that support precise applications while remaining safe for everyday use. RnA ReSet's high-quality minerals and vitamins provide direct support for the health goals of the consumer market and are suggested to patients by healthcare professionals around the world. As CEO, Dr Dean provides her leadership and vision for enabling people to take control of their own health.

ReMag® Magnesium

- ReMag® is a picometer-ionic form of magnesium.
- Picometer magnesium is smaller in diameter than the body's mineral ion channels. Its direct and complete absorption into cells before it reaches the large intestine means ReMag® does not have a laxative effect.
- Magnesium is an essential cofactor required by 300 enzyme systems that promote thousands of biochemical reactions in the body.*

- Fully Absorbed at a cellular level.*

- Responsible for 80% of known metabolic functions.*

- Activates 300 body enzyme systems.*

Pico Potassium™

- A picometer-sized, highly absorbed, liquid potassium chloride supplement that is better absorbed in your gut as compared to other less soluble forms.*
- Liquid potassium allows for greater dosing precision. In contrast, supplements in pill form come in pre-measured doses.
- A healthy adult requires 3,500–4,700 mg of potassium daily.

- Fully absorbed at the cellular level.*

- Vegan, gluten-free, and contains no yeast, dairy, egg, soy, wheat, sugar, starch, artificial flavors, artificial colors, artificial preservatives, or animal by-products.

- Helps support the electrolyte balance in the body.*

ReCalcia™ Calcium

- Calcium is vital for the strength and development of bones and teeth.*
- The United Kingdom (UK) and the World Health Organization (WHO) recommend 500-700mg of calcium per day, vs. the United States Registered Dietary Allowance (RDA) of 1000 - 1500 mg.
- 300mg per serving.

- Fully absorbed at the cellular level.*

- Vegan, gluten-free, and contains no yeast, dairy, egg, soy, wheat, sugar, starch, artificial flavors, artificial colors, artificial preservatives, or animal by-products.

- Helps support the electrolyte balance in the body.*

Pico Zinc™

- Liquid zinc formula
- 20 mg. per 1/2 teaspoon serving
- 96 servings per 8.1 ounce bottle.
- Nearly 100 different enzymes rely on zinc for their activity*. Since the body does not store excess zinc, it must be consumed regularly as part of the diet.
- Using a liquid supplement gives you more control over the dosage amount. Other types of zinc supplements, like those in pill form, come in pre-measured doses, which restricts how flexible you can be with intake.

- Picometer liquid mineral delivery system solves absorption and efficacy issues.

- Easy to dilute in water, juice, or a smoothie.

- The source of Pico Zinc™ is pure zinc lactate.
